SRI S. LINGANNA,
Chairman, City Improvement Trust Board,
MYSORE.

To

.....Sri..B.M.Krishnan,...B.A.,I.A.S.,
Secretary to the Government of Mysore.
Education & Local Self-Government Departments
BANGALORE.

SIR,

Subject: Estimate for Rs.1,07,000/- for laying 7" underground sewer lines in Yadavagiri Extension,Mysore.

Adverting to G.O.No.L.9230-3/ITB.4-49-49 dated 1-3-1950 sanctioning an estimate for Rs.3,29,190/- for forming layout of sites in Yadavagiri Extension, Mysore, I write to forward herewith the detailed estimate for Rs.1,07,000/- for the above works, as scrutinised by the Superintending Engineer, Sanitary Circle, Bangalore, and approved by the Board of Trustees in its meeting held on 28-12-1955 as per resolution No. 334 (copy enclosed for ready reference). In the original sanctioned estimate, a sum of Rs.1,07,000/- has been ear-marked for laying underground drainage sublines to the layout. As the layout work has been completed in all respects and many buildings have come up, a detailed estimate is got up for the lumpsum provision to lay the underground sewer lines in the layout, as per actual needs based on the development of the extension. These sub lines will be finally linked with the main outfall lines in Yadavagiri valley, which has already been laid.

In the circumstances, I request you kindly to obtain and communicate at a very early date, the approval of Government to the detailed estimate against the lumpsum provision referred to above.

Yours faithfully,

S. Linganna

(S.Linganna)
Chairman.

3

MYSORE CITY IMPROVEMENT TRUST BOARD.

Report to accompany the estimate for Rs.1,07,000/- for laying 7" underground sewer lines in Yadavagiri Extension, Mysore.

This is one of the new extensions formed to the west of the Bangalore Mysore railway line and towards the north of the High level reservior. The extension is laid on modern lines abandoning conservancies and is a popular extension being close to the city and the railway station. As the conservancies are abandoned in the layout, it is necessary to have the whole area sewered before the buildings come up. An estimate for sewering the area is got up for Rs.1,07,000/- for sewering 210 houses.

Lumpsum provisions for crossing of hallas, continuing mains and submains to outfalls and disposal works etc., have been made and the details are to be worked out during execution.

The cost of the proposed work will be met out of the lumpsum provision of Rs.1,07,000/- for laying underground drainage in the sanctioned estimate for Rs.3,29,190/- for formation of sites in Yadavagiri Extension, sanctioned in G.O.No.L.9320-3/IT3.4-49-49 dated 1-3-1950.

The rates provided in the estimate are as per the current schedule of rates.

K.R.Rajarathnam

Trust Board Engineer

To

Sri B.M.Krishnan,B.A.,I.A.S.,
Secretary to the Government of Mysore.
Education & Local Self-Government Departments
BANGALORE.

SIR,

Subject: Estimate for Rs. 1,07,000/- for laying 7" underground sewer lines in Yadavagiri Extension,Mysore.

--

With reference to your letter No.L.4054/ITB 14-55-91 dated 1-6-56 regarding the subject noted above, communicating orders of Government that the matter may lie over for the present, I write to state as follows:-

This is a sub item for Rs. 1,07,000/- under the major estimate for Rs. 3,29,190/- sanctioned in G.O.No.L.9320-3/ITB 4-49-49 dated 1-3-1950 for the formation of Yadavagiri Extension. Only technical sanction is now soughtfor for the detailed estimate amounting to Rs. 1,07,000/- (a sub item as already stated) The area has considerably developed and the residents of the locality are pressing very much for providing this amenity. As there were some technical difficulties in laying the sewer lines, the Superintending Engineer, Sanitary Circle, has also inspected the locality along with the Trust Board Engineer and has scrutinised the estimate after inspection.

The time is opportune now to lay the under ground drainage in this layout and lead off the sewage to the Northern outfall which is almost complete. As the subject matter is pending from a very long time and is under correspondence, the Board with a vew to save time and delay in providing this amenity, has called for tenders for this work.

In this connection, I wish to bring to your kind notice that Government are often directing that the layouts formed by the Board be handed over to the City Municipality,Mysore, after completing all the works as per sanctioned estimates. In order to implement this

directive, there is impedement by the orders conveyed in your letter cited above,

In view of the above circumstances, I request you kindly to accord technical sanction to the detailed estimate for Rs. 1,07,000/- at an early date, as the Board has realised the value towards laying underground drainage in this layout and has to discharge its obligatory duty

Yours faithfully,

(S.Linganna)
Chairman.
